

Instructions

Imagine you are engaged, and are looking for wedding rings with your fiancé.
Now perform some tasks:

1. Click on **Jewelry** on the homepage
2. Hover and click on the **2nd ring** in the first row of rings
3. Choose size, finish, and type of gold from the dropdown lists, and then **Add to Cart**
4. On the pop-op, click **Continue** shopping
5. Hover and click on the **3rd ring** in the first row of rings
6. Choose size, finish, and type of gold from the dropdown lists, and then **Add to Cart**
7. On the pop-op, click **Checkout**
8. Make sure all of your choices are correct in your cart page
9. Scroll down and click **Checkout**
10. Populate the fields under shipping
11. Click **Same as Shipping** to have the billing address be the same
12. Populate the remaining fields with example data
13. Click **Checkout**
14. Make sure all of the info you entered matches on the Review Order Page
15. Click **Place Order**

All Done! Thank You!!
